SOI/PPPOI:

- Nothing to report.

INTEL UPDATES:

- In a live video posted to the Freedom Convoy 2022 Facebook page at approx. 1345hrs¹, the organizer **Personal** mentions the following:
 - Trying to get trucks organized.
 - Working with Ottawa city police to make sure lanes are available for emergency vehicles to get through every intersection.
 - Asks truckers to be compliant if asked to move to open up a lane of traffic.
 - Running around city trying to let the Police department know they are acting in good faith and working with them.
 - Urges to keep patient, work with law enforcement, no violence or threats of violence.
 - Do not take anger out on police officers or fellow drivers.
- According to information reported by CS-SAA-RMI, it was observed through Instagram live videos that truckers were fueling their trucks on Wellington St with fuel pumps. This could indicate they may have fuel reserves around to keep trucks fueled up for a while. CIG OSINT could not corroborate the information at this time.
